症例報告

慢性頭痛に対し川芎茶調散投与が 有効であった3症例

奈良範子*1 大関潤一*2

要旨: 昨今,慢性頭痛に対して様々な漢方薬が用いられ,良い効果を上げている。今回 我々もその中の一つである川芎茶調散の投与により,慢性頭痛が消失し,鎮痛薬を中止で きた3症例を経験した。川芎茶調散は,各頭痛の経絡に働く処方となっているので,機能 的頭痛である緊張型頭痛や片頭痛にも広く応用範囲があると思われた。

索引用語:川芎茶調散,慢性頭痛,漢方薬

PAIN AND KAMPO MEDICINE Vol. 17 (2007)

Senkyuchachosan effective for 3 cases of Chronic Headache Noriko Nara *1 and Jun'ichi Ozeki *2

Abstract: Recently, various Kampo medicines have been used for treating chronic headaches and they have been proved to be effective. We had 3 cases with functional headache, where by using one of those medicines, discontinuing giving analysis.

It is considered that Senkyuchachosan is effective for all types of functional type of headaches such as muscle contraction headache and migraine headache.

Key words: senkyuchachosan, chronic headache, Kampo medicine
