症例報告

竹筎温胆湯による少陽胆経を目標とした疼痛緩和の経験

新富義侯*1 園田拓郎*2 平田道彦*3 織部和宏*4

要旨: 竹筎温胆湯は龔廷賢(きょうていけん)が『万病回春』に収載したのを初とする. 千金要方の温胆湯を原型として工夫された処方である.子曰く,必ず名を正さんか.竹筎温胆湯の胆の字に惹かれ,少陽胆経の痛みに試用し良い効果が得られたことを報告する.

索引用語:竹筎温胆湯,少陽胆経,脇痛,万病回春

PAIN AND KAMPO MEDICINE Vol.28 (2018)

The underarm pain caused by melancholy mood

Yoshitaka SHINTOMI*¹, Takurou SONODA*¹, Michihiko HIRATA*¹ and Kazuhiro ORIBE*²

Abstract: We report two cases of underarm pain who were treated with kampo medicine. Chikujountanto is the name of kampo medicine and it contains with 13 flavors of herbs. It moves the retained fluid in the human body and changes the melancholy mood. After we administrated chikujountannto to two patients with underarm pain, the pains were improved.

Key words: underarm pain, herbal medicine
